

Prakash Alloy Udyog

Manufacturers of : Aluminium Sheets, Circles, Cookware & Utensils

Prakash Alloy Udyog is a leading manufacturer of Quality Aluminium Utensils and Cookware. The company has established a sound business reputation in India and abroad. We manufacture the world's **largest single piece** (without joints) Aluminium cooking pot with capacity of 750 liters and inner diameter of 50 inches.

Our state of the art manufacturing facility is located in the Industrial Estate of Manakpur, Jagadhri Distt Yamunagar, Haryana. The aluminium utensil industry in Jagadhri can be traced back to early 20th Century and continues to thrive even today.

Our PHILOSOPHY

We at Prakash Alloy Udyog prioritize customer satisfaction. A close connection with our customers, years of experience along with expertise in customer delivery helps in turning our customers into business partners. This is possible as we provide quality products at competitive prices along with superior service thereby creating high value proposition.

Our BRAND

The brand name Prakash is synonymous with quality in aluminium cookware. We are into manufacturing of Aluminium Topes, Degda, Pawali, Prant, Trays & other kitchen utensils. We have significant presence not only in India but also in other geographical regions in the world such as Gulf, Middle East, Africa and Latin America. Our best in class products are made using the finest quality raw material and state of the art production techniques.

Our TEAM

The promoters of the firm have been in the aluminium utensils and cookware industry for over 40 years with combined industry experience of over 100 years. We have dedicated teams handling procurement, production, quality and sales individually and comprises qualified professionals. We have developed our own manufacturing best practices to improve efficiency and productivity. Safety and welfare of workers are ensured and conducive working environment is provided.

Our PACKAGING

Customized packing solutions are provided to suit the needs of the customers. Our standard packing solutions consists of carton boxes and jute bags (gunny bags).
